Directions

- Heat sausage according to the directions on the package
- We prefer the grill, but just as good in the oven
- Wrap slider buns in foil and warm them on the grill or in the oven as well

Assemble the sliders as follows:

- Slice 1 sausage link in half, length wise. Slice the halves in two as well. Place on warmed slider buns. Drizzle Southside's Texas Bold Barbeque Sauce on sausage. Top with red onion slices and serve.
